

ESSENTIAL WASTE MANAGEMENT SOLUTIONS

**WORKPLACE
ESSENTIALS**

SAFE AND QUICK

DISPOSAL OF

CONTAMINATED WASTE

Airborne dispersion of bacteria and spores means that waste materials must be well contained at all times.

Implement a more hygienic waste disposal regime through our closed-lid bins.

LEGACY STEP-ON CONTAINERS

The RCP Legacy Step-On Container provides sanitary waste management and ideal hand-free waste disposal

- Slow-close, integrated lid damper keeps odors and bacteria from escaping
- Rounded corners and smooth contours for easy cleaning and disinfecting

THE DEFENDERS

Indoor Step-On Container is an ideal waste container for hospitals, doctor's offices and other healthcare facilities.

- Foot pedal enables hands free operation
- Leak-proof rigid plastic liner helps contain liquids
