

This is a tree.

This is paper.

**IN 2020 THE UK CREATED 5.5 MILLION TONNES OF PAPER AND CARDBOARD WASTE.  
IF 10% OF THAT WASTE WAS RECYCLED, WE COULD SAVE UP TO 9 MILLION TREES.  
SUPPORT YOUR FACILITY BY RECYCLING. THROW YOUR WASTE IN THE APPROPRIATE BIN.**

Source: UK GOV 2020 Waste Statistics – 5.5 million tonnes of wasted paper. Source: University of Southern Indiana – 1 tonne of recycled paper saves ~17 trees.

Let's do this together
