# ELEVATE YOUR CLEANING STANDARDS STANDARDS WITH THE RCP SMART APP

## UNIVERSAL ACCESSIBILITY

Access training anytime, anywhere, on any device — be it through a PC or the RCP Smart App on your smart device.

## INSTANT LEARNING

A quick scan of an RCP Smart App QR Code within your facility unlocks immediate access to relevant training materials, streamlining the learning process.

## IN-DEPTH TRAINING

Engage with comprehensive 10-15 minute videos for a deep dive into product usage and safety, enhancing your cleaning expertise.

## QUICK GUIDES

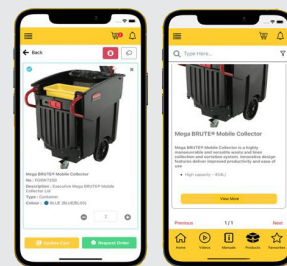

Short 1-3 minute how-to videos provide swift, on-the-job learning solutions, perfect for busy professionals.

## EXPLORE PRODUCTS

Navigate our digital product catalogue effortlessly, viewing specifications and connecting with the RCP Team for an informed selection.

## RESOURCES AT YOUR FINGERTIPS

Gain instant access to manuals and guides on best practices and key touchpoints, ensuring a thorough understanding and application of cleaning protocols.

Discover the future of commercial cleaning training with the **RCP Smart App**, a groundbreaking platform offering free, instant access to a wealth of training content. Designed for cleaning professionals, this app empowers users to master the best and safest cleaning techniques using our products.

DOWNLOAD  
SMART APP

The **RCP Smart App** is your gateway to advancing cleaning proficiency, offering an integrated, accessible and comprehensive training experience.
