CLASSROOM AND COMMON AREA SOLUTIONS

Provide a clean and welcoming learning environment in classrooms and common areas with products designed to support student and staff safety, health and well-being.

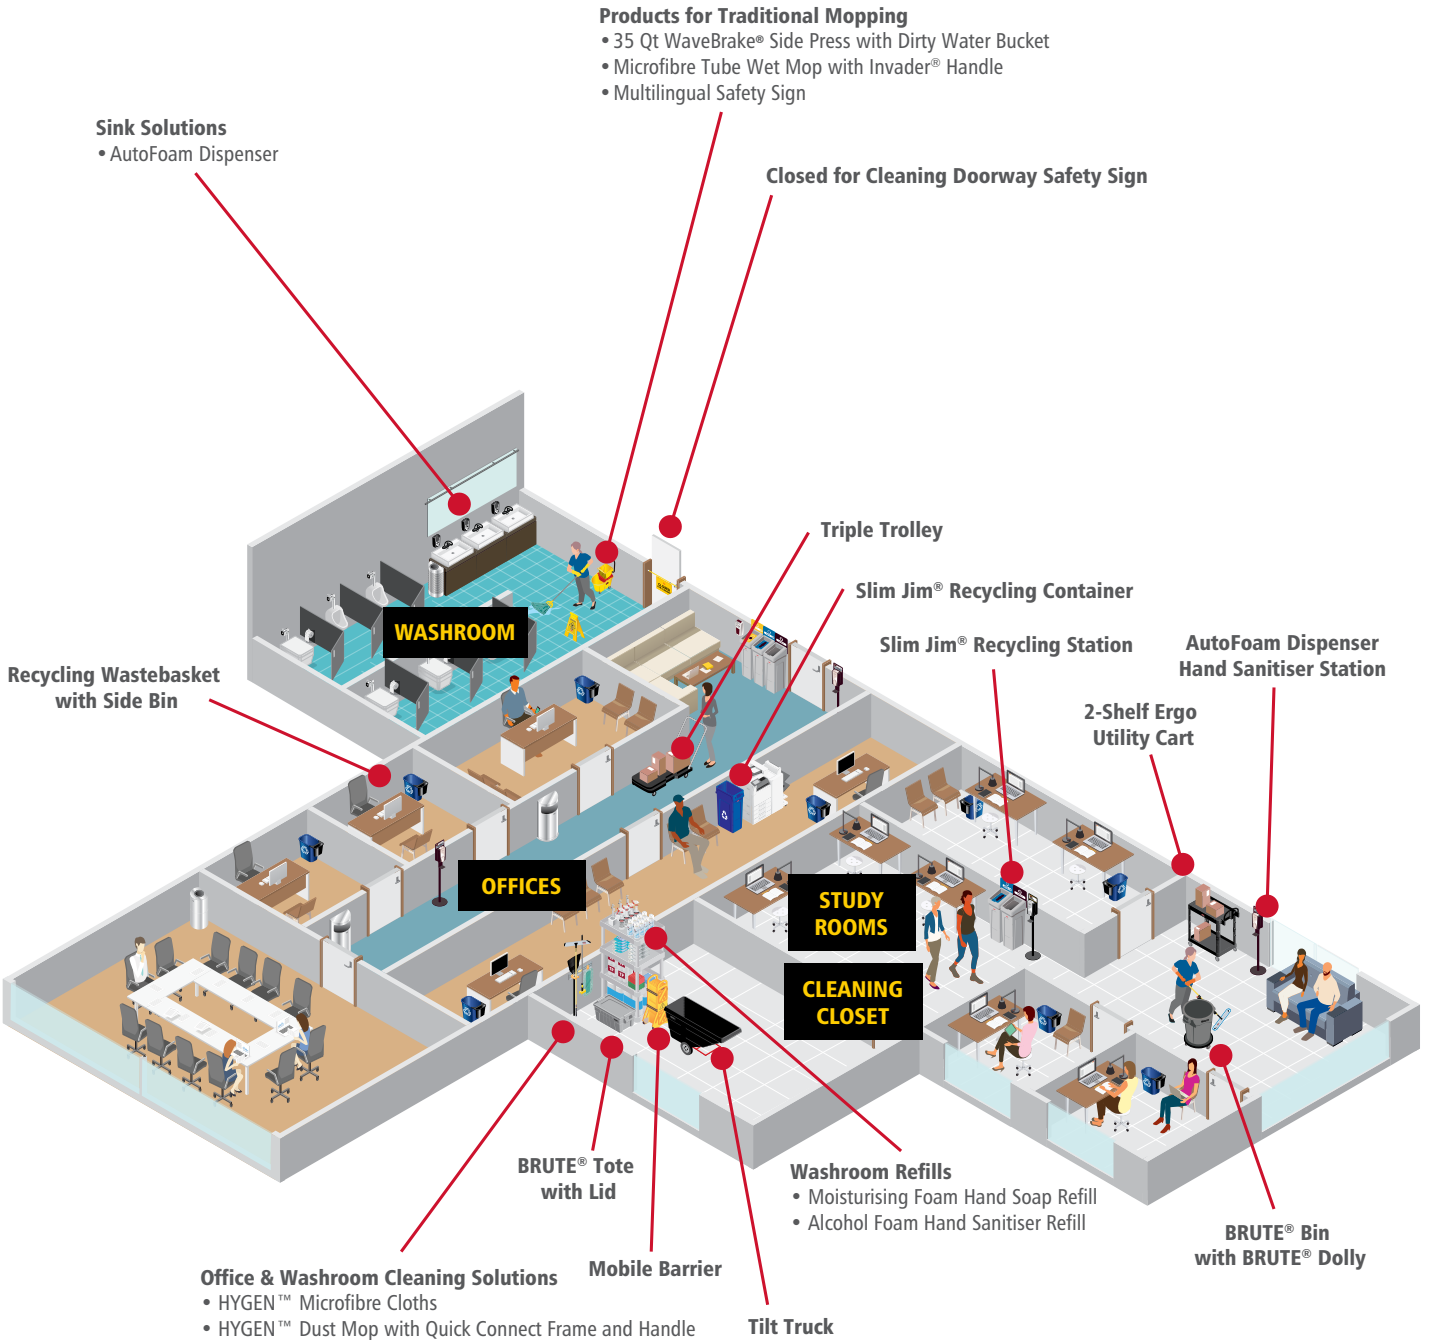

SPECIALTY AREA SOLUTIONS

Increase staff efficiency with products designed to support routine cleaning and emergency clean-ups in high-traffic specialty areas, including the auditorium, library, and cafeteria.

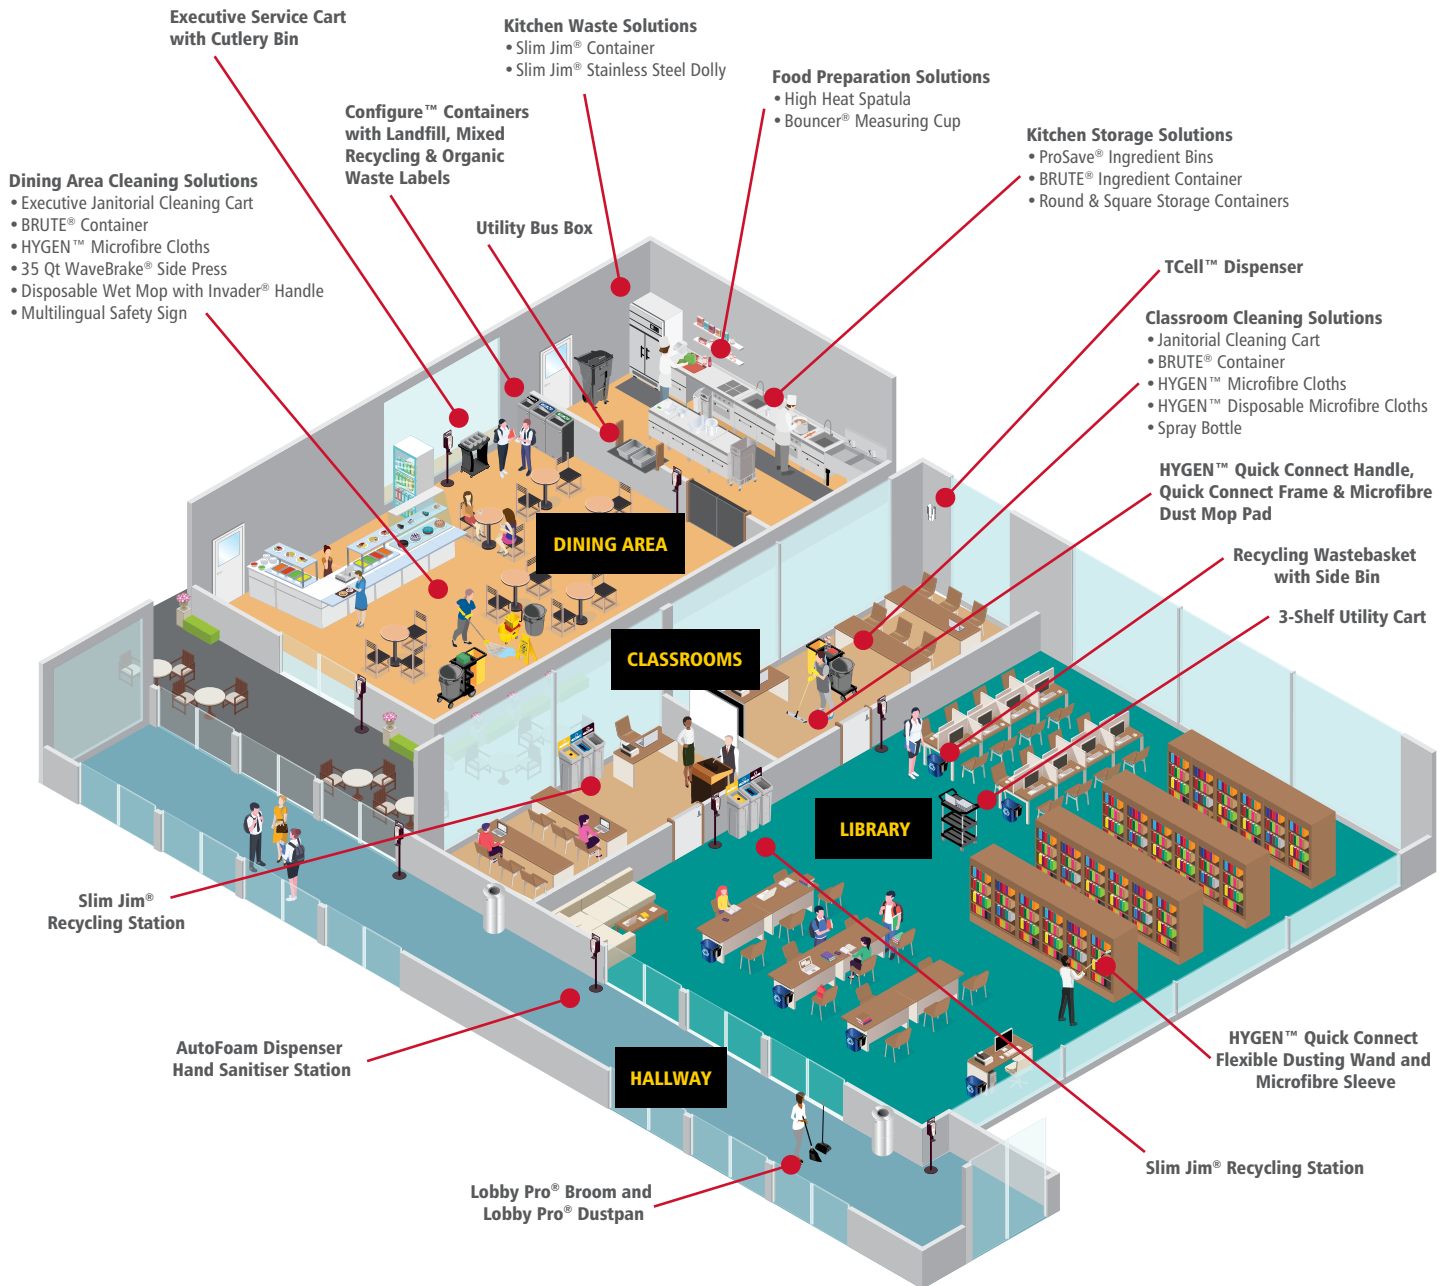

LEARNING & WORKSPACE SOLUTIONS

Provide spaces that promote efficiency and productivity with high quality, aesthetically pleasing solutions for a clean and comfortable learning environment.

COMMON AREA & DINING SOLUTIONS

Utilise efficient and durable product solutions that stand up to high-use traffic in campus common spaces and dining areas.

MAIN ENTRANCE

Ensuring the main entrance of a school is clean and safe sets a high standard. Effective upkeep is essential for maintaining a welcoming and secure entrance, reflecting a commitment to exceptional hygiene and safety standards.

KEY PRODUCT SOLUTIONS
