Making Work Matter

FOR HOSPITALITY PROFESSIONALS

For over 50 years, Rubbermaid Commercial Products (RCP) has been a trusted ally to hospitality professionals around the world. Built on a legacy of long-lasting performance, our products are designed to deliver durable, cost-effective, and ergonomic solutions that meet the evolving needs of housekeeping and cleaning teams.

From hotels to resorts and event venues, we understand the demands of high-traffic, high-touch environments. That's why RCP's cleaning and housekeeping range is engineered for maximum efficiency, comfort, and reliability - supporting teams to clean faster, reduce fatigue, and maintain the highest standards of presentation and hygiene.

But RCP is more than just products. We're your partner in performance; working closely with businesses to provide personalised recommendations, on-site training, and long-term support. We believe in solutions that don't just solve today's problems, but that stand the test of time.

While this catalogue focuses on our comprehensive housekeeping and cleaning solutions, RCP also offers proven expertise in:

 **WASTE & RECYCLING**  **SAFETY**  **WASHROOM SOLUTIONS**

Helping create safer, cleaner, and more sustainable environments across every area of your operation.

Inner mesh bags keep small items out of the way while providing easy access.

Organise amenities and supplies with 6 adjustable dividers with removable carry caddy.

Organise larger items and paper goods, keep them dry and safely away from cleaning supplies.

Teflon® fabric protector repels water, oil and stains, and helps maintain Quick Cart aesthetics and protects from rigorous daily use.

Store commonly used items such as a roll of bag liners, spray bottles and cleaning cloth using adjustable dividers and pockets.

Reinforced rubberised kick plate for increased durability and reduced wear and tear.

X-Carts

X Carts provide a collapsible, space-saving solution for efficient collection and transportation of linen or waste.

Together, they empower staff to work with speed, agility and confidence, whether servicing guest rooms, public areas, or back-of-house operations.

Cleaning Accessories

OUR RANGE OF CLEANING ACCESSORIES ARE DESIGNED TO ELEVATE EFFICIENCY AND PRECISION IN EVERY CLEANING TASK.

PULSE MICROFIBRE Floor Care

The HYGEN™ Pulse Mop offers a fast, bucket-less mopping solution with an onboard fluid reservoir, ideal for covering large areas with less effort and minimal disruption.

Trigger handle dispenses three streams of cleaning solution behind the mop with each press, with single-handed operation to reduce the risk of RSI.

Single sided Pulse System features 0.6L on-board reservoir to clean up to 80m² and operates with user-controlled release trigger.

Microfibre damp mops can withstand 500 washing cycles at 90 °C and 500 drying cycles at 60 °C; 200 cycles with chlorine.

QUICK-CONNECT FLEXI-WAND High Reach Dusting

For hard-to-reach spaces, the HYGEN™ High-Level Duster combines flexible, extendable reach with superior microfiber dusting performance, ensuring even the most inaccessible areas are cleaned thoroughly. Together, these tools support a higher standard of cleanliness while reducing strain and maximising productivity for housekeeping teams.

High performance wand bends easily to conform to irregular surfaces, corners and crevices.

Quick Connect Short Extension Handle pairs perfectly with wand to provide ergonomic cleaning and extended reach for ceilings and corners.

Extremely durable microfibre sleeves can withstand 500 washing cycles at 90 °C and 500 drying cycles at 60 °C; 200 cycles with chlorine.
