MATERIAL HANDLING RANGE GUIDE

DESIGNED TO OUTLAST

Durable movement solutions that take the strain

With material handling solutions designed to outperform and outlast the competition, at Rubbermaid Commercial Products, we strive to save businesses money, help them protect staff from injury and support their sustainability targets by providing products that are built to last.

This focus on durability means that your business can buy better and reduce the unnecessary waste created by cheaper, less durable alternatives. In fact, we are so confident in the quality of our products that, for added peace of mind, all of our trucks, trolleys and carts come with long-term warranties.

WASTE TRANSPORTATION

With waste accumulating in many different places throughout your facility, it will need to be aggregated and moved to your central collection point, ready to be taken off-site.

Our range of durable, high-capacity trucks and trolleys have been ergonomically designed to make this process as efficient and comfortable for your cleaning and maintenance teams as possible, while helping you to keep waste streams separated to ensure you can maximise your recycling rate.

HIGH CAPACITY TRUCKS

Large volume, mobile containers that help your team to collect, sort and transport waste and other materials with ease.

PLATFORM TRUCKS

BUILT TO OUTLAST AND PERFORM.

Maximise productivity in any environment by moving large and heavy materials safely and efficiently.

HEAVY DUTY

Size capacities that can move heavy loads from 454-907kg efficiently throughout a facility (size dependent).

EASY TO MOVE

Designed with 2 fixed casters and 2 swivel casters to improve manoeuvrability.

ERGONOMIC

Variable grip-height handle improves control and worker safety.

DURABLE FINISH

Resin based textured deck surface to reduce slippage and results in no warping, denting splintering, rust or rot. With a powder-coated steel creating a hard finish that is tougher than conventional materials.

SECURE & TRANSFER

Four moulded in tie-down slots for securing loads with tie-down straps or bungees.

PERFECT FOR

- TRANSPORTING HEAVY AND LARGE LOADS
- ALL ENVIRONMENTS

SKU	DESCRIPTION	WEIGHT
FG440300BLA	PLATFORM TRUCK SMALL 6" TPR CASTERS	453KG
FG443600BLA	PLATFORM TRUCK MEDIUM 8" TPR CASTERS	907KG
FG446600BLA	PLATFORM TRUCK LARGE 8" TPR CASTERS	907KG

TILT TRUCKS

The Rubbermaid Commercial Tilt Trucks offering strong durable construction, ideal for transporting any type of load efficiently in any environment.

BRUTE TILT TRUCKS

Industrial strength construction and can transport heavy loads up to 385kg-952Kg (size dependent) with ease. The DuraTilt™ frame enables controlled dumping by one person and reinforced corner points help prevent scraping and paint transfer onto the ground during dumping.

ADVANCED DURABILITY

Industrial strength construction and can transport heavy loads up to 385kg - 952kg (size dependent) with ease.

DURATILT™ FRAME

Allows the Tilt Truck to stay stable while in the tilted position making the dumping and cleaning process easier than traditional metal frames.

FLEXIBILITY

Absorbs impact, returns to shape and manoeuvres easily in tight spaces.

REINFORCED PROTECTION

Reinforced corner points help prevent rusting of the frame, scraping, and paint transfer onto the ground during dumping.

EASY TO CLEAN

Smooth surface is easy-to-clean and resists pitting and corrosion & leakproof body.

LONG LASTING

Features a powder-coated steel frame for corrosion resistance.

PERFECT FOR

- MOVING HEAVY LOADS
- TRANSPORTING WASTE
- FRONT & BACK OF HOUSE ENVIRONMENTS

MEGA BRUTE

EVERYDAY SOLUTION.

Ideal for collection, movement, disposable of waste and transport of general loads efficiently in any facility

HIGH CAPACITY

Can hold and transport up to 450 litres.

SORTATION OPTLONS

Help to support recycling efforts.

HIGHLY MANOEUVRABLE

Fits through standard 36-inch doorways and easily on and off most lifts.

EASY HANDLING

Rear doors allow for easy removal or loading of heavy liners.

PERFECT FOR

- TRANSPORTING WASTE TO EXTERNAL CONTAINERS
- MOVING LINEN
- HOLDING CLEANING EQUIPMENT

SKU	DESCRIPTION	VOLUME CAPACITY
FG9W7300BLA	MEGA BRUTE	450L

HEAVY DUTY UTILITY CARTS

A robust and reliable range of trolleys made to transport up to 340kg of materials, equipment and supplies in the toughest of environments.

BRUTE[®] UTILITY CARTS

MADE TO MOVE. BUILT TO LAST.

EXCEPTIONAL DURABILITY

Can withstand heavy loads up to 226Kg-340Kg (size dependent).

ADVANCED MATERIAL CONSTRUCTION

High-density structural foam construction makes this two-shelf rolling cart sturdy, lightweight, and maneuverable; it also won't dent, chip or peel.

EASY MANEUVERABILITY

Ergonomically designed push cart handle provides optimum hand placement and push height improving control. Navigate with ease.

BUILT-IN PRODUCTIVITY

Integrated V-notch to hold pipe and conduit securely for safe cutting.

LOCKING CASTERS

Features 2 fixed locking casters, and 2 swivel casters that keeps the cart in place when loading and unloading.

STORAGE CAPACITY
Choice of 2, 3 & 4 x shelf capacity.
