NO BREAK-IN PERIOD
Mop designed for immediate peak
performance to help employees work faster

“Our facility is focused on guest satisfaction with a commitment to maintaining a safe, clean, and fun facility. We replaced our old cotton mops with the new Rubbermaid Commercial Products Disposable Mop. The new mops helped our lobby and surrounding areas stay clean and smell great. They were more absorbent than our cotton mops and the disposable convenience meant we weren’t holding onto smelly mops that never deliver a complete clean since they are used several times.”
