

# ROTOMOLDED TILT TRUCKS

# BRUTE

## STRONG, DEPENDABLE BULK COLLECTION

A full 56-gallon trash bag can weigh up to 40 lb. with maximum load capacities ranging from 850 lb. to 2,100 lb., poor tilt truck stability when dumping heavy loads can cause the truck to fall back during significant weight shifts.

### IMPROVED CONTROL

DuraTilt™ frame allows the Tilt Truck to stay stable while in the tilted position, making the dumping and cleaning process easier than traditional metal frames.

### REINFORCED PROTECTION

Reinforced corner points help prevent rusting of the frame, scraping, and paint transfer onto the ground during dumping.

### EXCEPTIONAL DURABILITY

BRUTE Tilt Trucks won't warp, dent, or rot for outstanding durability.

### CATEGORY LEADING WARRANTY

Backed by a 10-Year Limited Warranty.
