## DEBRIS REMOVAL SOLUTIONS

It is essential to keep employees safe while removing debris and other materials after severe weather or a natural disaster. Rubbermaid Commercial Products' durable material handling and utility refuse solutions stand up to tough conditions while helping in efficient and safe removal of storm debris.

# MOLD PREVENTION & CLEANING SOLUTIONS

The CDC recommends cleaning and drying buildings within 24-48 hours after a storm or flood in order to prevent mold and other fungi from growing (CDC, "Mold After a Disaster"). Rubbermaid Commercial Products has cleaning solutions that help reduce damp breeding grounds for mold to prepare your facility for re-opening.
