OUR PRODUCT RANGE SPANS ACROSS

SEVERAL ESSENTIAL CATEGORIES

CLEANING: The **HYGEN™ Microfibre products** enhance infection control and cleanliness with their superior performance.

SMARTCLEAN revolutionises aged care facility management by digitising cleaning protocols, ensuring compliance with the highest standards, and enabling efficient scheduling to meet the unique demands of aged care environments

MATERIAL HANDLING: Products like the Collapsible X-Cart improve efficiency and streamline the transport and efficient handling of laundry and waste.

WASHROOM: Our odour control systems and dispensers ensure high hygiene standards in washrooms, offering touch-free fragrance and sanitisation.

WASTE MANAGEMENT: Our Streamline® Step-On Container features a slim profile and small footprint to fit in the tightest spaces. Streamline® Step-On containers meet OSHA and OBRA standards for worker and environmental safety standards.

FOODSERVICE: RCP's ingredient bins and utility carts support food safety, hygiene, and operational efficiency in kitchen and dining operations.

SAFETY: Over the Spill Tablet contains 22 absorbent pads that soak up water and oil quickly and completely for an effective way to deal with spills.

COMMON AREA SOLUTIONS

KITCHEN

- Kitchen Storage Solutions
 - ProSave® Ingredient Bins
 - BRUTE® Ingredient Container
 - Round & Square Storage Containers
- Slim Jim® Container with Hinged Lid

DINING AREA

- Lobby Pro® Dust Pan and Broom
- Dining Area Solutions
 - Executive Service Cart
 - Utility Bus Box
- AutoFoam Dispenser

COMMON AREA

- HYGEN™ Flexible Dusting Wand with Microfibre Sleeve
- BRUTE® Cleaning Solutions
 - BRUTE® Container
 - BRUTE® Quiet Dolly
- Common Area Cleaning Solutions
 - High Security Cleaning Cart
 - HYGEN™ Microfibre Cloths
 - HYGEN™ Disposable Microfibre Cloths

OFFICE & RECEPTION

- HYGEN™ Mopping Solutions
 - HYGEN™ Pulse Mop
 - HYGEN™ Microfibre Mop Pad
 - Safety Sign

LOBBY

- Half Round Flat Top Container
- Half Round Open Top Container

WASHROOM

- Stall Solutions
 - Baby Changing Station
- Sink Solutions
 - AutoFoam Dispenser

HEAD OFFICE

- TCell™ Dispenser

MANAGER APPLICATION

- Manage facility onboarding
- Gain complete control of facility cleaning procedures
- Obtain overview of facility auditing procedures & auditing reports data
- Access dashboard to view all facility activity in real-time

SUPERVISOR APPLICATION

- Manage and analyse workflow, scheduling and auditing
- Capture data at an offline capacity
- View real-time status of current cleaning tasks
- Utilise instant messaging feature to communicate with cleaning
- Download reports easily by click of a button

AMANA LIVING

SUSTAINABILITY & COST SAVINGS:

The HYGEN™ system's lower water use yields reduced costs: Amana Living saves **218,000L** of water usage per annum.

IMPROVED WORKER SAFETY:

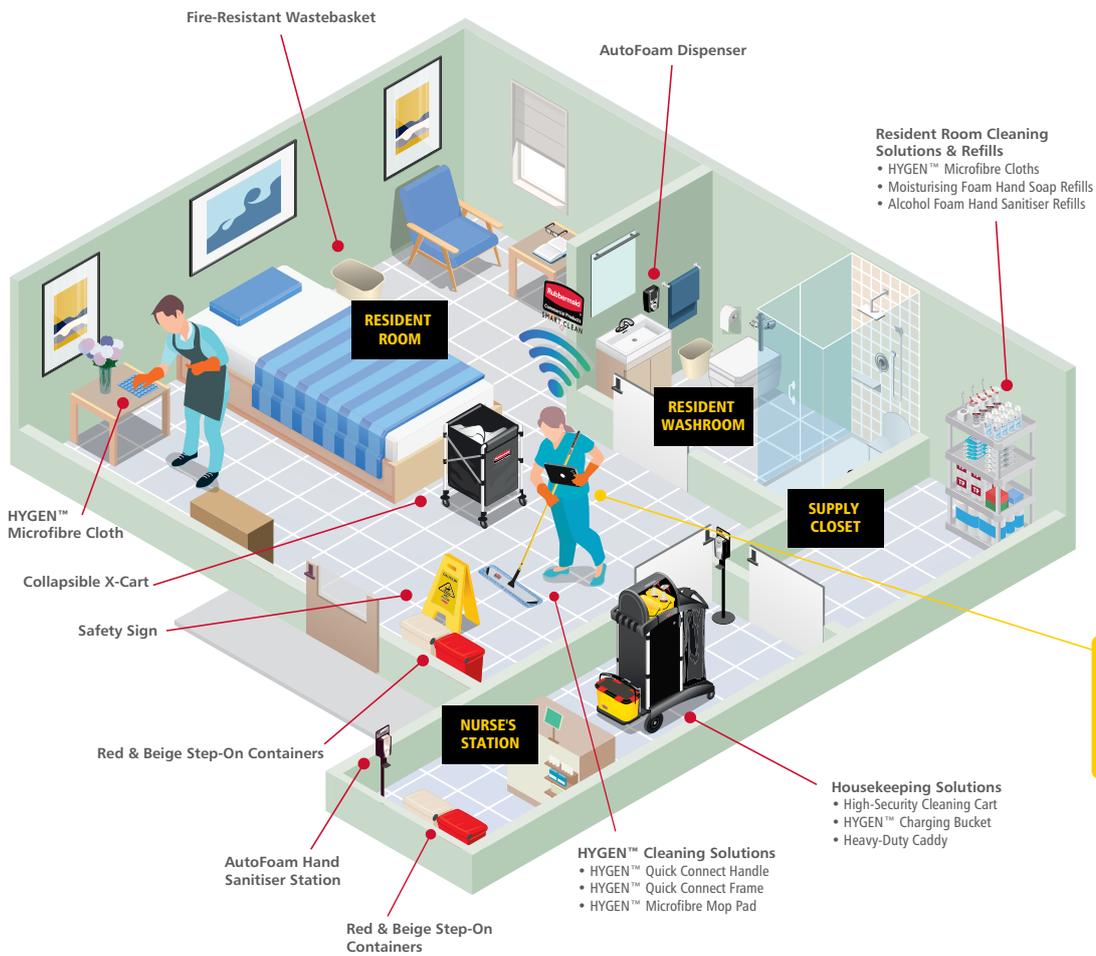

Since implementing the HYGEN™ system, no cleaning-related work cover claims, repetitive strain, or rotator cuff injuries have occurred.

RESIDENT SAFETY:

HYGEN™ Microfibre mop ensures fast drying of vinyl floors, crucial for fall prevention in a facility with mobility-impaired residents.

RESIDENT CARE AREA SOLUTIONS

CLEANER APPLICATION

- Visibility of cleaning tasks assigned for the day, rosters for the week and beyond
- Execute and track audit requirements
- Image capture with annotations
- See progress in real-time
- Highlight special issues for the supervisor

WHITE OAK MANOR

- INCREASED EFFICIENCY:** Faster and more efficient cleaning process by eliminating the need to change out water from the mop bucket 10x per shift.
- SUSTAINABILITY & COST SAVINGS:** 97.14% reduction of chemical and water usage resulted in 278,000 litres saved within a year.
- ENHANCED PRODUCTIVITY:** The HYGEN™ microfibre mop pad holds cleaning solution for up to 23m².

SANCTUARY SUPPORTED LIVING

- INCREASED EFFICIENCY:** Reduced the cleaning time for a vacated property from 107 mins to 52.37 mins.
- SUSTAINABILITY & COST SAVINGS:** Adopted solutions save about 400kg of mop heads from landfill, 180,000 litres of water, and reduce electricity costs.
- IMPROVED PRODUCTIVITY & SAFETY:** Ergonomic cleaning products improved staff safety, reduced physical strain, and increased cleaning standards.

LOBBY

In aged care facilities, the lobby is the gateway to the rest of the home, setting the standard for cleanliness and safety for all residents, staff and visitors. This high-traffic area requires meticulous attention to maintain a welcoming and germ-free environment.

KEY PRODUCT SOLUTIONS

SKU	DESCRIPTION
• 1835528	HYGEN™ PULSE MOP

1835528	HYGEN™ PULSE™ MOP

RESIDENT WASHROOM

Cleanliness in resident washrooms is non-negotiable, with the need to maintain high hygiene standards to protect the health of facility residents. These areas require effective solutions for odour control, surface sanitation and hand hygiene to prevent the spread of germs.

KEY PRODUCT SOLUTIONS

SKU	DESCRIPTION
• 1793547	TCELL™ DISPENSER WHITE
FG402498	TCELL™ REFILL-PURE™ ODOUR NEUTRALISER
FG9S1500YEL	CLOSED FOR CLEANING HANGING DOORWAY SAFETY SIGN
FGQ63000BL00	HYGEN™ MICROFIBRE MIRROR AND GLASS CLOTHS
FG750411	AUTOFOAM DISPENSER
2018595	ANTIBACTERIAL FOAM HAND SOAP REFILL
FG750112	MOISTURISING FOAM HAND SOAP REFILL

NURSE'S STATION

The nurse's station is a critical area in aged care facilities, acting as a command centre for care coordination. Maintaining high levels of cleanliness here is essential to prevent the transmission of germs among staff, residents and visitors.

KEY PRODUCT SOLUTIONS

SKU	DESCRIPTION
• FG750824	AUTOFOAM HAND SANITISER STAND
FG750411	AUTOFOAM DISPENSER
2080802	ALCOHOL FOAM HAND SANITISER
FG295773BLUE	WASTEBASKET RECYCLING LARGE 39L (BLUE)
1883564	STREAMLINE STEP-ON RESIN FRONT STEP BINS (RED)
1883456	STREAMLINE STEP-ON RESIN FRONT STEP BINS (BEIGE)
1965401	HYGEN™ DISPOSABLE MICROFIBRE CLOTH CHARGING TUB

DID YOU KNOW?

The AUTOFOAM Dispenser is a low cost in use solution, crucial for infection control at the nurse's station. Less than **\$0.01 per dose** with automatic concentrated dispensing.

FG750824 •

SUPPLY CLOSET

The supply closet in aged care facilities is central to maintaining cleanliness throughout the facility, storing cleaning supplies and equipment. Efficient organisation and access to these supplies are vital to ensuring that cleaning protocols are followed consistently and effectively.

KEY PRODUCT SOLUTIONS

SKU	DESCRIPTION
• FGQ82000BL00	HYGEN™ LAUNDERABLE MICROFIBRE MOP PADS (BLUE, YELLOW, RED, GREEN)
2135890	HYGEN™ DISPOSABLE MICROFIBRE MOP PADS (BLUE, YELLOW, RED, GREEN)
FGQ62000BL00	HYGEN™ LAUNDERABLE MICROFIBRE CLOTHS (BLUE, YELLOW, RED, GREEN)
2136053	HYGEN™ DISPOSABLE MICROFIBRE CLOTHS (BLUE, YELLOW, RED, GREEN)
FGQ760000000	HYGEN™ QUICK-CONNECT ERGO HANDLE
RFGQ75006YL00	HYGEN™ QUICK-CONNECT
FGQ74500YL00	HYGEN™ QUICK-CONNECT EXTENSION HANDLE
FGQ85000BK00	HYGEN™ MICROFIBRE QUICK-CONNECT FLEXI-WAND AND DUSTER

DID YOU KNOW?

HYGEN™ Microfibre Mop Pads remove **99.99%** of microbes with just water, significantly reducing water and chemical use.

FGQ85200WH00 •

SMARTCLEAN by RCP revolutionises cleaning management in aged care facilities with its cloud-based software, ensuring safe and compliant environments. This digital solution streamlines cleaning operations, enhances staff management and optimises processes for efficiency.

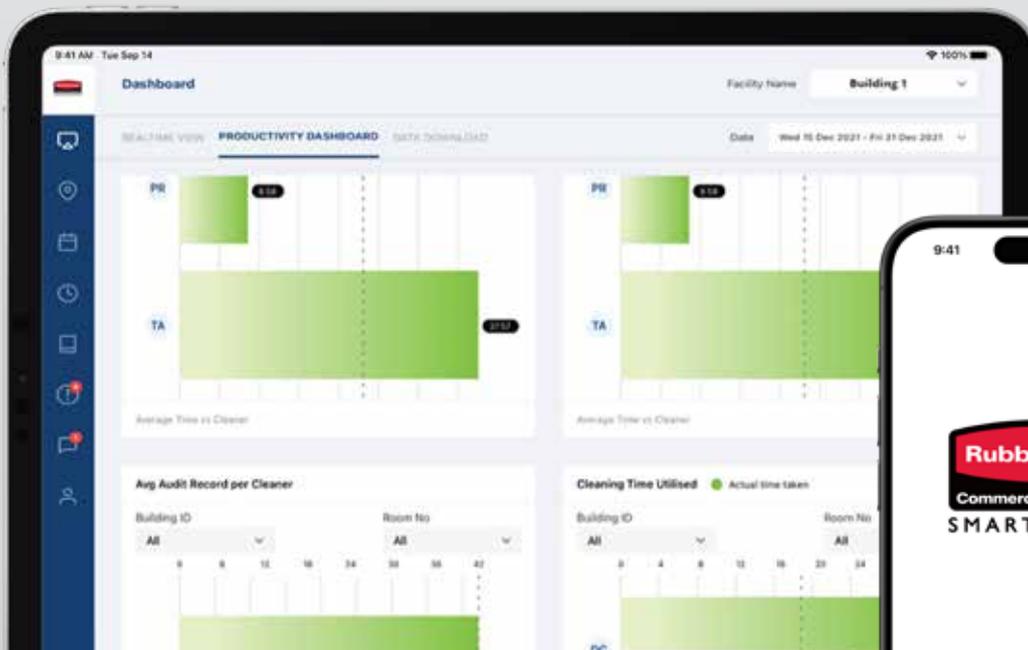

KEY FEATURES OF SMARTCLEAN

- Advanced Scheduling:** Tailored daily/weekly tasks for staff
- Facility Auditing:** Move from paper to digital, centralising audit records
- Live Monitoring & Issue Reporting:** Real-time insights and easy problem reporting
- Clear Instructions & SMART Notifications:** For effective communication and guidance

Designed for **cleaners**, **supervisors** and **managers**, **SMARTCLEAN** supports a streamlined workflow, improving communication, enhancing cleaning efficiency to reduce the spread of infectious diseases and ensuring compliance with safety procedures.

Embrace a digitally enhanced cleaning protocol with Rubbermaid Commercial Products and elevate your facility's operational efficiencies.

ELEVATE YOUR CLEANING STANDARDS STANDARDS WITH THE RCP SMART APP

UNIVERSAL ACCESSIBILITY

Access training anytime, anywhere, on any device — be it through a PC or the RCP Smart App on your smart device.

INSTANT LEARNING

A quick scan of an RCP Smart App QR Code within your facility unlocks immediate access to relevant training materials, streamlining the learning process.

IN-DEPTH TRAINING

Engage with comprehensive 10-15 minute videos for a deep dive into product usage and safety, enhancing your cleaning expertise.

QUICK GUIDES

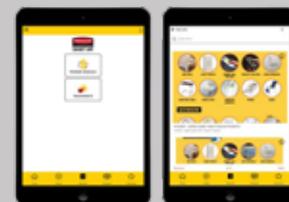

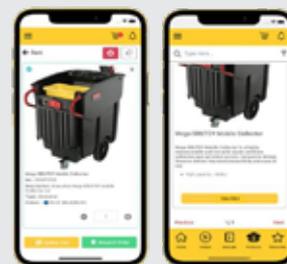

Short 1-3 minute how-to videos provide swift, on-the-job learning solutions, perfect for busy professionals.

EXPLORE PRODUCTS

Navigate our digital product catalogue effortlessly, viewing specifications and connecting with the RCP Team for an informed selection.

RESOURCES AT YOUR FINGERTIPS

Gain instant access to manuals and guides on best practices and key touchpoints, ensuring a thorough understanding and application of cleaning protocols.

Discover the future of commercial cleaning training with the **RCP Smart App**, a groundbreaking platform offering free, instant access to a wealth of training content. Designed for cleaning professionals, this app empowers users to master the best and safest cleaning techniques using our products.

**DOWNLOAD
SMART APP**

The **RCP Smart App** is your gateway to advancing cleaning proficiency, offering an integrated, accessible and comprehensive training experience.
