

Stocking the FULL-SIZE HOUSEKEEPING CART WITH ACCESSORY BUNDLE

Rubbermaid Commercial Products' latest housekeeping cart design provides enhanced organization, greater storage capacity, and improved maneuverability, providing a solution that elevates efficiency and satisfaction for housekeeping professionals.

Canvas Bag with vinyl lining includes zippered front access for easy waste or linen removal, holding up to 30 gallons.

New Amenity Organizer enables organization of amenities and supplies. Features removable partitions that can be reconfigured to create up to 11 sections.*

Users now have **20% greater lockable cabinet capacity** compared to the previous full-size Rubbermaid Commercial Products model. New ergonomic **Cleaning Caddy** is ideal for carrying tools and cleaning supplies from the cart into the guest room. Conveniently nests in canvas bag opening.*

Two Modular Shelves allow users to rearrange shelving based on their storage needs. Top shelf can be used to store glassware racks if needed. New Side Load Linen Bag with zipper better protects linens and increases capacity for linen storage.*

Durable and sturdy Vacuum
Holder ensures upright vacuum will stay in place on cart.

New **9-Pocket Organizer** increases productivity by providing extra organization for cleaning supplies.*

*These accessories come standard on SKU 2202527 only, but are available to be purchased separately.
