

RUBBERMAID COMMERCIAL PRODUCTS THREE YEAR LIMITED WARRANTY

Warranty Effective Date: This limited warranty applies to original purchases on or after April 1, 2025.

What does this limited warranty cover?

Rubbermaid Commercial Products, LLC (“RCP”) warrants to the original purchaser that its Rubbermaid Commercial Products-branded product covered by this warranty (each, a “Product”) will be free from defects in materials and workmanship for the warranty periods set forth herein. This warranty applies only to Products purchased and used in the United States of America and Canada. Because RCP cannot control the quality of Products sold by unauthorized sellers, in the United States this warranty applies only to Products that were purchased from RCP or an RCP authorized seller in the United States, unless otherwise prohibited by law. RCP reserves the right to reject warranty claims for Products purchased from unauthorized sellers, including unauthorized Internet sites.

How long does the coverage last?

The limited warranty lasts three years from the date of delivery to the original purchaser. With respect to the side-press and down-press wringer component of the RCP WaveBrake mop bucket (specifically the component used on items FG7480, FG7580, FG7588, FGF7577, FG7578, 2031764), that component is warranted for a period of five years from the date of delivery to the original purchaser, and all other components in the RCP WaveBrake mop bucket remain warranted for a period of three years from the date of delivery to the original purchaser, unless otherwise excluded. All alleged failures or defects must be reported within the applicable warranty period.

What will Rubbermaid Commercial Products do?

If a Product or Product component is found to be defective when used as intended under normal conditions within the specified warranty period, RCP will provide to you, at RCP’s option, a replacement Product or component, repair of the Product or component, or a refund for the Product or component if available for purchase. If providing a refund, RCP will refund the prorated portion of the actual purchase price (or current retail price if actual purchase price is not available) of the Product or current retail price of the defective component on a straight-line depreciated basis of 33 1/3% per year. For example, if the Product has been owned for two years and the remedy under this warranty is a refund, RCP will refund 33 1/3% of the original purchase price because one year remains under the three-year warranty period.

What does this warranty not cover?

This warranty does not apply to the following:

This warranty does not apply to Product that has been damaged as a result of normal wear and tear, insects, animals or rodents, use of force, incorrect handling, inappropriate use, abuse, neglect, accidents, impact from foreign objects, vandalism, pollutants, set-up on an un-level foundation, alteration, painting, fading, assembly not in accordance with the User’s Manual, or damage caused as a result of storage above the capacity limits of the Product, improper maintenance, accident, or other misuse. This warranty does not apply to Product that has been damaged as a result of acts of God, including, but not limited to: wind, hail, storm, tornado, hurricane, heavy snow, ice, blizzard, flood, or fire effects. This warranty does not apply to Product that has been damaged as a result of structural parts and components not supplied by RCP being used. This warranty

does not apply to “Normal Weathering”. “Normal Weathering” is defined as exposure to sunlight and extremes of weather and atmosphere which will cause any colored surface to gradually fade, wear, chalk, or accumulate dirt or stains.

Do NOT attempt to repair or modify the Product to remedy any damage or defect covered by this warranty. RCP reserves all rights to decline coverage if the defect or damage was caused by unauthorized attempts to repair or modify the Product. RCP expressly excludes from this warranty and denies liability for defects or damage caused by repair or modification. This warranty does not apply to damage or defect resulting from the original purchaser’s failure to maintain the Product in accordance with RCP’s instructions.
