

GLASS CLEANING SOLUTIONS

GLASS CLEANING IS MORE THAN JUST WINDOWS

Windows, mirrors, and glass surfaces play a key role in the look and feel of any professional space and often shape perceptions of overall cleanliness. This new suite of glass cleaning tools delivers an ergonomic, effective, streak-free clean across all glass surfaces.

HIGHER PRODUCTIVITY

Using a 14" Microfiber Washer, 14" Squeegee, and Bucket is 48% faster* cleaning than using a trigger sprayer and general rag.

QUICK-CONNECT COMPATIBILITY

Unique connection mechanism allows for easy, quick tool exchange, allowing cleaning staffs to change from mopping to glass cleaning in seconds.

IMPROVED ERGONOMICS

Ergonomic handle delivers more comfort for long shifts.
