

# **STEP-ON CONTAINERS**

A pink Step-On trash can is positioned in a hallway. The trash can is a light pink color with a matching lid and a black foot pedal at the base. It is placed on a light gray tiled floor. In the background, there is a white wall with a black baseboard and a framed picture of a landscape. To the right, a white wall and a white shelf are visible.

## A STEP AHEAD

Step-On containers, constructed with the highest quality materials, meet the needs of any environment with efficiency, safety, and durability.

## HANDS-FREE WASTE DISPOSAL

Step-On foot pedal enables hands-free operation, which reduces contamination and improves working conditions.

## TRUSTED DURABILITY

High-quality craftsmanship ensures containers withstand any environment.

## DESIGNED FOR COMPLIANCE

Premium waste receptacles that comply with industry standards, such as FM, OSHA and OBRA.

OSHA OBRA

## SOLUTIONS TO MEET

## ANY FACILITY NEED

Enhance your facility with durable, classic containers that are built for the commercial environment.

### **STREAMLINE™ STEP-ON**

PAGES 6–9

Smooth surface, contoured edges, and user-friendly features blend aesthetics and safety

### **LEGACY STEP-ON**

PAGES 10–11

Puncture-resistant, all-plastic construction designed for compliance

**IMPRESSIONS™  
STEP-ON**

PAGES 12–13

Sleek profile and fingerprint-resistant  
stainless steel enhances aesthetics

**DEFENDERS®  
STEP-ON**

PAGES 14–15

Robust, all-metal construction  
designed for safety and compliance

A photograph showing a beige leather armchair on the left and a white Streamline Step-On trash bin on the right. The bin is tall and narrow, with a white lid and a small step at the base. The background is a plain white wall and a window with a view of trees.

## STREAMLINE™ STEP-ON

Blending aesthetics and best-in-class durability, Streamline™ Step-On containers have a slim profile and small footprint, which maximize space to fit in the tightest spaces. Color-coded bins meet regulatory needs.

## **SLOW-CLOSE LID**

Quiet and controlled lid-closure minimizes noise to enhance guest and patient satisfaction.

## **OUTLASTING DURABILITY**

Lid hinge design improves performance and increases durability.

## **IMPROVED PRODUCTIVITY**

Liner retainer band and cinch easily and securely hold polyliners.
