Foam and Spray Toilet Seat and Handle Cleaners

- Maintains High Standards of Seat and Handle Hygiene
- Quick Drying Formula Cleans Surfaces
- The Most Hygienic Dispensers in the Market
- Preferred Environmental Choice

# CleanSeat - Foam and Spray Toilet Seat and Handle Cleaners

CleanSeat provides an added level of personal hygiene for toilet visitors. Simply apply the formula on a toilet tissue and wipe down toilet seats and washroom handles to minimize the risk of cross-contamination. CleanSeat's alcohol-based solution removes dirt and bacteria and eliminates the need for messy and awkward seat covers. Available in an economic spray version or in a more luxurious foam version.

## Maintains High Standards of Hygiene

Assuring that the washroom visit is hygienic, is priceless to the patrons of the facility. CleanSeat helps to maintain a high standard of seat and handle hygiene.

## Quick Drying Solution Cleans Surfaces

Just spray the solution on a toilet tissue, and then wipe the surfaces clean. The quick drying alcohol based spray is slowly absorbed by the tissue, but quickly evaporates on toilet seats and stall handles. Handle and seat are hygienic and ready for use in seconds.

## The Most Hygienic Dispensers in the market

The elegant dispenser fits in any washroom stall. The antimicrobial Push Bar utilizes a revolutionary Silver-Ion Technology to inhibit the growth of germs over the life of the dispenser, reducing the potential for cross-contamination.

## Preferred Environmental Choice

The formulas feature a pleasant scent and are fully biodegradable. The luxury foaming refill dispenses up to 1,000 shots, and the economic spray refill dispenses 2,000 shots.

The high-capacity refills minimize packaging waste.

## CleanSeat Dispenser Features:

- Key Locked Dispenser
- Antimicrobial Push Bar with Silver-Ion Technology reduces cross-contamination
- Small Foot Print with High Yield:
  - Foam refills dispense 1000 shots of 0.4 ml per dose.
  - Spray refills dispense 2000 shots of 0.2 ml per dose.
- Refill Level Viewing Window

ADA COMPLIANT
